One day you'll look to see I've gone.
For tomorrow may rain, so I'll follow the sun.

Some day you'll know I was the one.
But tomorrow may rain, so I'll follow the sun.... the sun.

And now the time has come,
Yes, tomorrow ... rain, so I'll
And so my love I must go.
..... the sun.

The Beatles
And now the time ... come

And though I lose a friend,
I'll follow the sun, go.

In the end you'll know, oooh.
And though I lose a friend,

One day you'll find that I have gone.
One day you'll find that I have gone.

For tomorrow may rain, so I'll follow the sun.
For tomorrow may rain, so I'll follow the sun.

One day you'll find that I have gone.
One day you'll find that I have gone.

And though I lose a friend,
In the end you'll, oooh.

Yesterday all my troubles seemed
so far away.
Now it look as though they're here
to stay,
Oh, I believe in yesterday.

Yesterday, love was such an
easy game to play,
I said something, the man I used to
love, he didn't stay,
Now I need a to hide away
There's a shadow hanging over me
Oh, I believe in yesterday, Mm
Yesterday, love was such an
easy game to play,
I said something, the man I used to
love, he didn't stay,
Now I need a to hide away
There's a shadow hanging over me
Oh, I believe in yesterday, Mm

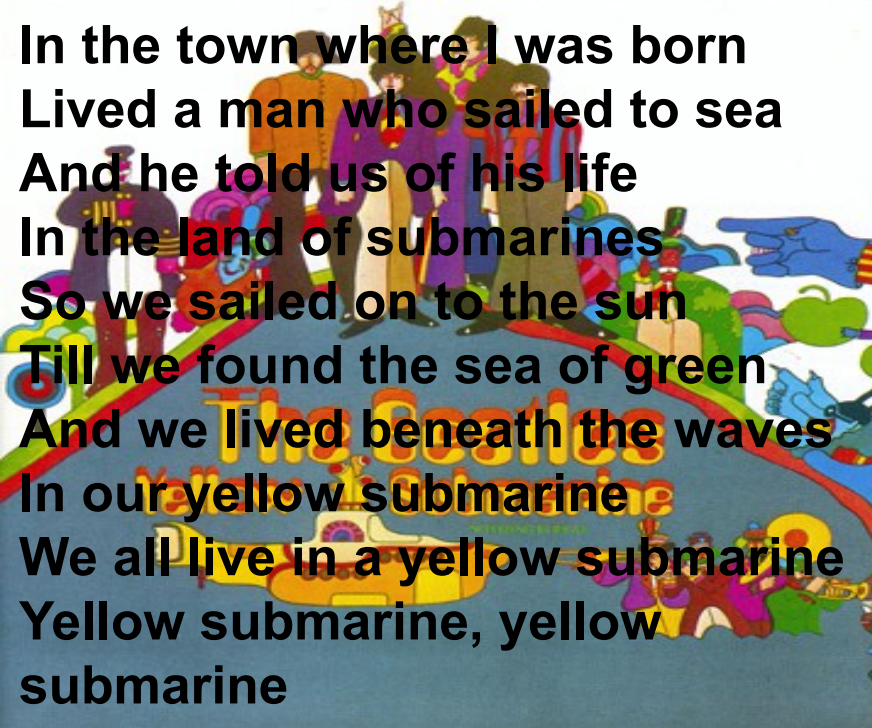

Why she had to go, I don't know, she wouldn't say,
I said something wrong, now I long for yesterday.
Why she had to go I don't, she
wouldn't say

Yesterday love was such an easy
game to play,
Now I need a place to hide away,
Oh, I believe in yesterday.
Yesterday, love was such an
easy game to play,
I said something, now I long for
yesterday
There's a shadow hanging me
oh, yesterday came

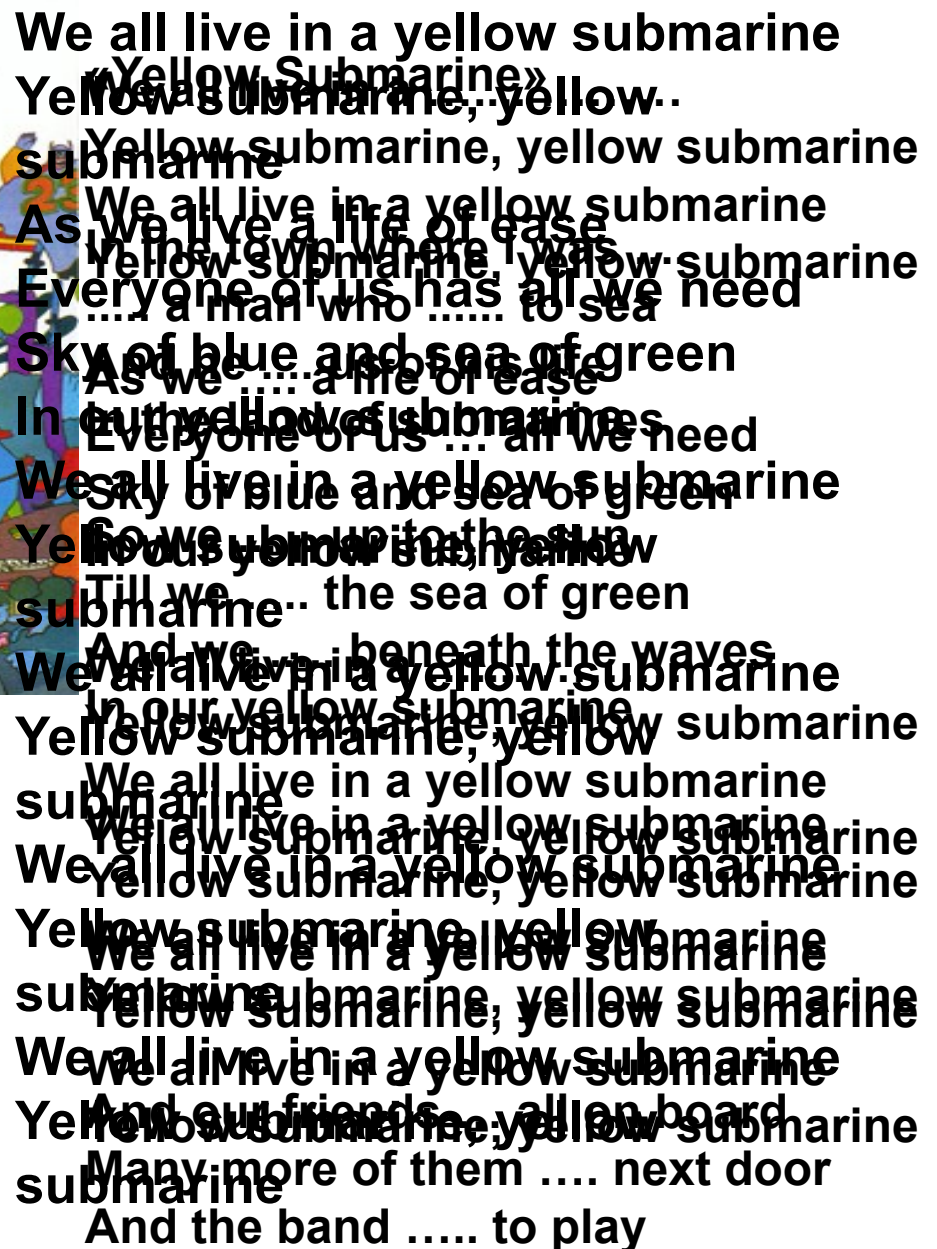

Yesterday, love was such an
easy game to play,
I said something, now I long for
yesterday
Why she had to go I don't, she
wouldn't say
Now I need a to hide away
There's a shadow hanging over me
Oh, I believe in yesterday, Mm

Yesterday love was such an easy game to play,
Now I need a place to hide away,
Oh, I believe in yesterday.

**In the town where I was born
Lived a man who sailed to sea
And he told us of his life
In the land of submarines
So we sailed on to the sun
Till we found the sea of green
And we lived beneath the waves
In our yellow submarine
We all live in a yellow submarine
Yellow submarine, yellow

We all live in a yellow submarine
Yellow submarine, yellow

And our friends are all aboard
Many more of them live next door
And the band begins to play

We all live in a yellow submarine

Out the window
At somebody
Coming in

**It is always
Nice to see you
Says the man
Behind the counter**

**I open
Up the paper
There's a story
Of an actor**

Who had died
While he
was drinking
.It was no one
I had heard of

And while she's
Straightening
her stockings
Her hair
Is getting wet

Oh, this rain
It will continue
Through the morning
As I'm listening
To the bells
Of your voice...

To the bells
Of a midnight picnic
Once upon a time
Before the

Does Your Mother Know

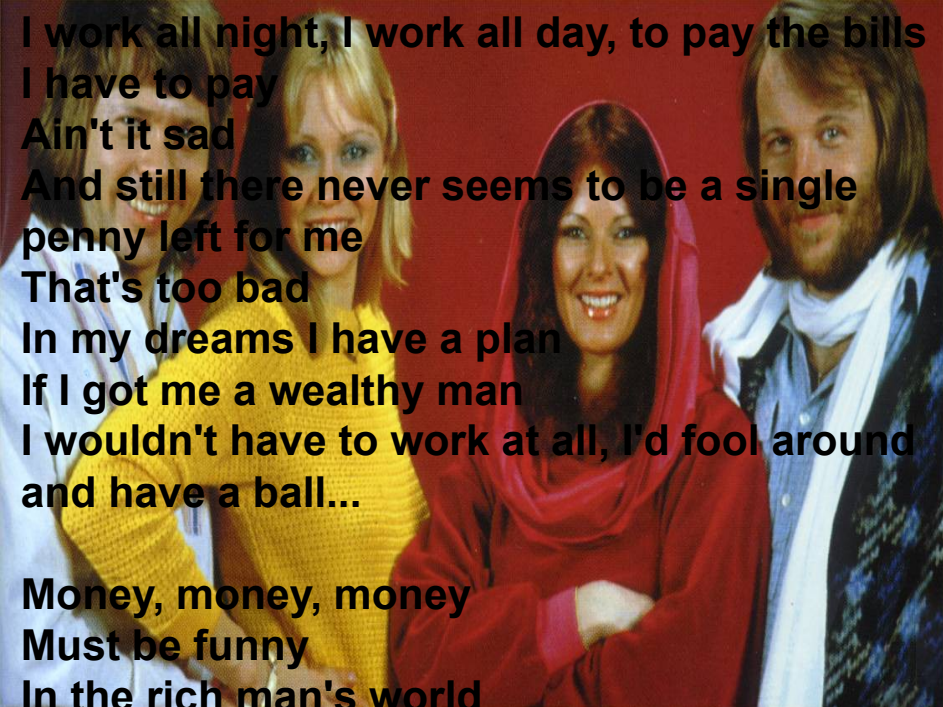

You're so hot, teasing me
So you're blue but I can't take a chance on a
chick like you
That's something I couldn't do
There's that look in your eyes
I can read in your face that your feelings are
driving you wild
Ah but girl you're only a child

I can dance with you honey
If you think it's funny
Does your mother know that you're out?
And I can chat with you baby
Flirt a little maybe
Does your mother know that you're out?

Take it easy (take it easy)
Better slow down girl
That's no way to go
Does your mother know?
Take it easy (take it easy)
Try to cool it girl
Take it nice and slow
Does your mother know?

I work all night, I work all day, to pay the bills
I have to pay
Ain't it sad
And still there never seems to be a single
penny left for me
That's too bad
In my dreams I have a plan
If I got me a wealthy man
I wouldn't have to work at all, I'd fool around
and have a ball...

Money, money, money
Must be funny
In the rich man's world
Money, money, money
Always sunny
In the rich man's world
Aha-ahaaa
All the things I could do
If I had a little money
It's a rich man's world

A man like that is hard to find but I can't get
him off my mind
Ain't it sad
And if he happens to be free I bet he wouldn't
fancy me
That's too bad

So I must leave, I'll have to go
To Las Vegas or Monaco
Money, money, money
And win a fortune in a game, my life will
never be the same
I work all night, I work all day, to pay the
bills I have to
And if he happens to be I bet he
Ain't it sad
Must be sunny
I wouldn't fancy me

Seems to me now
 That the dreams we had before
 Sometimes I see
 Are all dead, nothing more
 How much champagne arrives
 Than confetti on the floor
 And here now are we
 It's the end of a decade
 In the end of the road and you
 In another ten years time
 Or yes, it's and feeling blue
 Who can say what we'll find
 And here in the party
 What lies waiting down the line
 Dragging on, seems so grey
 In the end of eighty-nine
 Not knowing yesterday
 Now's only going for us to say...

Happy new year
 Happy new year
 Happy new year
 May we all have a vision now and then
 Happy new year
 Of a world where every neighbour is a
 May we all have a vision now and then
 friend
 Or a.... where every.... is a friend
 Happy new year
 Happy new year
 Happy new year
 May we all have our hopes, our will to
 May we all have our...., our will to try
 If we don't we might as well lay down
 If we don't we might as well lay down
 and die

A woman with blonde hair is sitting on a bed in a room with warm, golden lighting. She is wearing a light blue, short-sleeved top. Behind her is a red headboard and a lamp with a white shade. The room has heavy curtains in the background. The overall mood is intimate and nostalgic.

Ohh my love
Ohh yea
Ohh yea

I'm sitting here alone up in my room
And thinking about the times that we've
through (oh my love)

I'm looking at a picture in my hand
Trying my best to understand
I really wanna know what we did wrong
With the love that felt so strong
If only you were here tonight

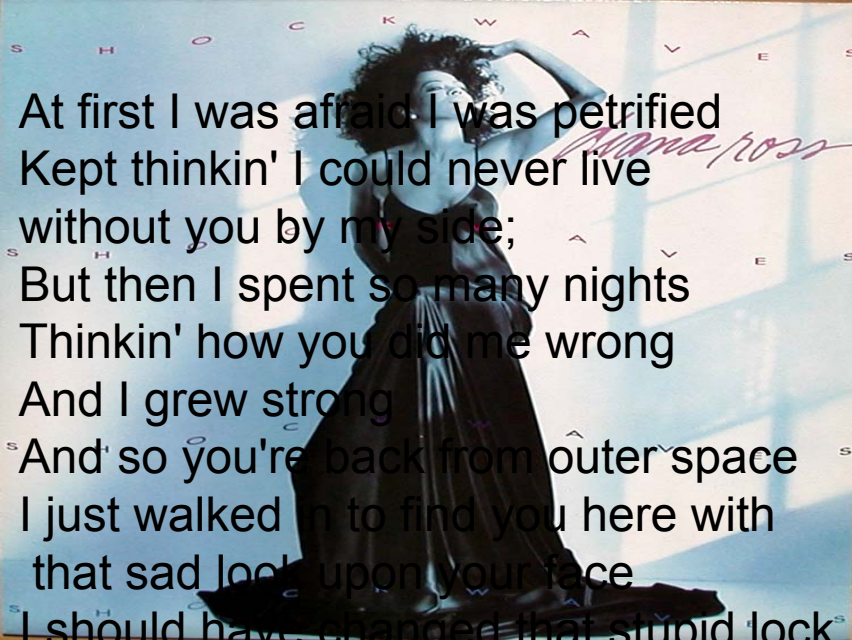

I know that we could make it right

I don't know how to live without your love
I was born to make you happy
Cuz your the only one within my heart
I was born to make you happy
Always and forever you and me
Thats the way our life should be
I don't know how to live without your love
I was born to make you happy

I know I've been a fool since you've been gone
I'd rather give it up then carry on (oh my love)
Cuz livin' in a dream of you and me
Is not the way my life should be
I don't wanna cry a tear for you
So forgive me if I do
If only you were here tonight
I know that we could make it right

I know I've been a since you've been gone
I don't know how to live without your love
I'd rather give it up than carry on (oh my love)
I'd do anything yeaah
cuz living in your world you and me
isn't the way our life should be
Always and forever you and me
I don't want my name (just call out my
name) I don't know how to live without your love
so forgive me thinking about the that we
I will be there (and I will be there)
if only you were even through (oh my love)
Just to show you how much I care
I know that we could make it right hand
trying my best to understand
I don't know how to live without your love
I don't know how to make you happy..... what we did wrong
I was born to make you happy... call your heart...
cuz you're the only one within my heart...
Just to show you how much I care
I was born to make you happy tonight
cuz your the only one within my heart
Always and forever you and me make it right
I was born to make you happy
Thats the way our life should be
and forever you and me
I don't know how to live without your love
that's how everyone should be happy
I was born to make you happy
Always and forever you and me
I don't know how the only one within your heart
I was born to make you happy
I was born to make you happy
love) I was born to make you happy
..... and forever you and me
Always and forever you and me
Thats the way our life should be
I don't know how to without your love
I don't know how to live without your love
I was born to make you happy
I was born to make you happy
I don't know how to live without your love
I was born to make you happy

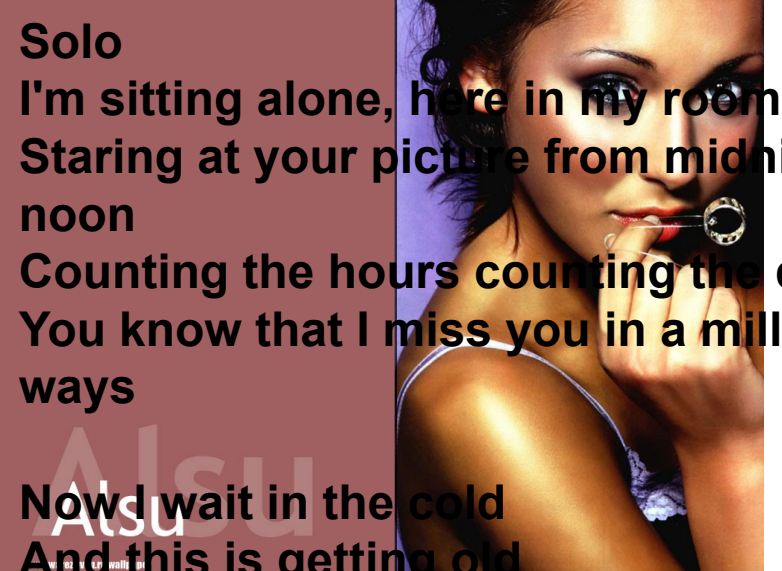

BORN TO MAKE YOU HAPPY

At first I was afraid I was petrified
Kept thinkin' I could never live
without you by my side;
But then I spent so many nights
Thinkin' how you did me wrong
And I grew strong
And so you're back from outer space
I just walked in to find you here with
that sad look upon your face
I should have changed that stupid lock
I should have made you leave your key
If I'd've known for just one second
you'd back to bother me
Go on now, go walk out the door
Just turn around now
('cause) you're not welcome anymore
Weren't you the one who tried to
hurt me with goodbye
Did I crumble
Did you think I'd lay down and die?
Oh no, not I. I will survive

BACK

It took all the I had
Oh as long as I know how to
not to fall apart
First I was
kept trying hard to mend
I was petrified
the pieces of my broken
you'd be back to bother me and I'll survive,
and I spent so many nights
Go on now, go walk out the door
But I'm not sorry for
just turn around now I had not to fall apart
thoughted how you did me wrong
'cause you're not welcome anymore
and I held my head up high
weren't you the one who tried to me
I learned how to carry on
and so you're back
you think I crumble
from outer
you'll find that I'm not a little
I just walked in to find you here
Oh no, not I. I will survive
with that sad look upon your face
I will not that I'm not a little
and so you're back to dropping in
as I should have changed that stupid lock
I should have made you leave your key
I know I'll stay alive droppin' in
If you'll say so I'll be free
I've got a wish to be free,
for someone who's lovin' me
I've got a wish to be free,
and I'll survive
I will survive
Go on now.. etc.
go on now, go walk out the
Just turn now
Yoy're not welcome anymore.

Solo
I'm sitting alone, here in my room
Staring at your picture from midnight
noon
Counting the hours counting the days
You know that I miss you in a million
ways

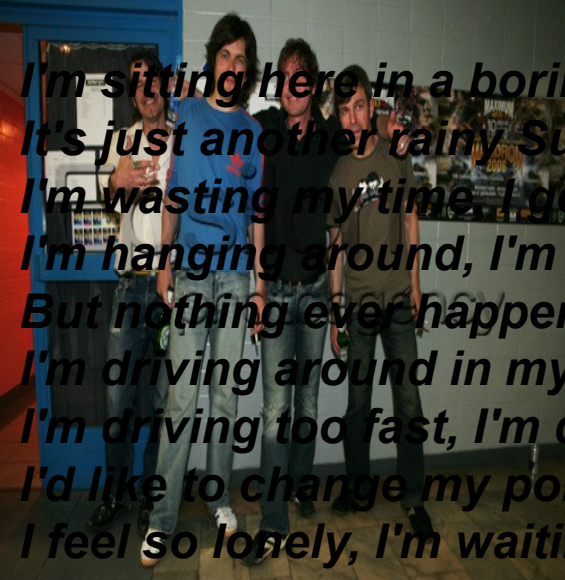

Now I wait in the cold
And this is getting old
No more stories, no more lies
Take me off this ride

When you see me in the hall
I'll look at the wall
By my actions you should know
I'm going solo... going solo

My friends try to tell me
I didn't want to listen
'Cause I'm the kind of person
Gotta find out on my own
I gave you my heart

You tore it apart
I'm sitting alone, here in my room
My friends try to tell me coming back strong
Staring at your picture from midnight
I didn't want to listen I know it was wrong
'Cause I'm the kind of person
Counting the hours counting the days old
Gotta find out on my own
You know that I miss you in a million
ways I gave you my heart
No more stories, no more lies
And this is getting old
Take me off this ride
But I'm preoccupied with lies
Now I'm in the cold
I know it was wrong I'll look at the wall
And this is getting old
Now I in the cold my actions you should know
No more see no more lies
And this is getting old
Take me off this ride
No more, no more lies
By my actions you should know
Take me off this ride
When you see me in the hall
I'll look at the wall
By my actions you should know
I'm going solo... going solo
I'm going solo. By my actions you should know
I'm going solo... going solo

BACK

I'm sitting here in a boring room
It's just another rainy Sunday afternoon
I'm wasting my time, I got nothing to do
I'm sitting here, life is so boring, I put myself into bed
I'm hanging around, I'm waiting for you
It's just another Sunday afternoon
But nothing ever happens -- and I wonder
I'm wasting my time, I got nothing to do
I'm hanging around, I'm waiting for you
It's just another Sunday afternoon
But nothing ever happens -- and I wonder
I'm driving around in my car
I'm driving too fast, I'm driving too far
I'd like to change my point of view
I feel so lonely, I'm waiting around here

I'm sitting here, I miss the power
I'd like to go out taking a shower
But there's a heavy cloud inside my head
I feel so boring, I put myself into bed
Where nothing ever happens -- and
I wonder
I got nothing to do
Isolation is not good for me
Isolation -- I don't want to sit on a
lemon tree

But nothing ever happens
(Chorus)

I wonder how, I wonder why

Yesterday you told me 'bout the
blue blue sky

And all that I can see is just a
yellow lemon tree

I'm turning my head up and down

I'm turning, turning, turning, turning
, turning around

And all that I can see is just a yellow
(another) lemon tree

La, la da dee da, etc.

But there's a heavy cloud inside my head
I'm stepping around in a dessert of joy
I'm driving too far
I'd like to change my point of view

I wonder how, I wonder why
I feel so lonely, I'm waiting around here

Repeat Chorus
Isolation is not good for me
(Chorus) I wonder how, I wonder why
Isolation -- I don't want to sit on a lemon tree

I'm stepping around in a dessert of joy
I'm driving too far
I'd like to change my point of view
I feel so lonely, I'm waiting around here

Repeat Chorus
Isolation is not good for me
(Chorus) I wonder how, I wonder why
Isolation -- I don't want to sit on a lemon tree

I'm driving too far
I'd like to change my point of view

You think that I can't live without
your love
You'll see
You think I can't go on another day.
You think I have nothing
Without you by my side,
You'll see
Somehow, some way

You think that I can never laugh again
You'll see,
You think that you destroyed my
faith in love.
You think after all you've done
I'll never find my way back home,
You'll see
Somehow, someday

[Chorus:]

~~You think that~~
~~You'll see~~
~~You are~~
~~You think that I can't~~
~~live without your love~~
~~I don't need anyone at all~~
~~You'd see admit defeat~~
~~You'd say on my side,~~
~~Or on I'd have deceit~~
~~You think I have nothing~~
~~Without you some day~~
~~It will be mine.....~~
~~You'll see self,~~
~~No one can take it from me~~
~~I do some way~~
~~You'll see my own~~
~~anyone that I can~~
~~I don't again~~
~~You think that you are strong,~~
~~but you are weak~~
~~You'll see~~
~~I destroyed any~~
~~And this time~~
~~You'll see~~
~~Anyone can~~
~~I'll never find my~~
~~way back home,~~
~~[Chorus:]~~
~~You'll see, you'll see~~
~~Somehow, someday~~
~~Somehow~~
~~Mmm mmm~~

BACK

On a dark desert highway, cool wind in my hair
Warm smell of colitas, rising up through the air
Up ahead in the distance, I saw a shimmering light
My head grew heavy and my sight grew dim
I had to stop for the night
There she stood in the doorway;
I heard the mission bell
And I was thinking to myself,
'This could be Heaven or this could be Hell'
Then she lit up a candle and she showed me the way
There were voices down the corridor,
I thought I heard them say:

Welcome to the Hotel California
Such a lovely place
Such a lovely face
Plenty of room at the Hotel California
Any time of year, you can find it here
Her mind is Tiffany-twisted, she got the Mercedez
She got a lot of pretty, pretty boys, that she calls friends
How they dance in the courtyard, sweet summer sweat
Some dance to remember, some dance to forget

So I called up the Captain,
'Please bring me my wine'
He said, 'We haven't had that spirit here since
nineteen sixty nine'
And still those voices are calling from far away,

Woke you up in the middle of the night
Dera.... is that my girl?.. She got the
Mercedes Benz
Just to hear them say,
She's got a lot of pretty boys that
are calls friends
Welcome to the Hotel California
Such a lovely place
Such a lovely face
Plenty of room at the Hotel California
Any time of year, you can find it here
Her mind is Tiffany-twisted, she got the Mercedez
She got a lot of pretty, pretty boys, that she calls friends
How they dance in the courtyard, sweet summer sweat
Some dance to remember, some dance to forget

So I called up the Captain,

He said, 'We haven't had that spirit here since
nineteen sixty nine'
And still those voices are calling from far away,
Woke you up in the middle of the night
Dera.... is that my girl?.. She got the

Just to hear them say,
She's got a lot of pretty boys that

BACK

You load sixteen, what do you get?

Another day older and deeper in debt

Some people say a man's made outta mud a poor man's made outta muscle and blood

Muscle and blood and skin and bones a mind that's weak and a back that's strong

You load sixteen tons what do you get just another day older deeper and debt

St Peter don't you call me 'cause I can't go howe my soul to the company store

[guitar]

I was born one mornin' when the sun didn't shine

I picked up a shovel walked out to the mine

I loaded sixteen tons of No 9 coal and the storeboss said well bless my soul

You load sixteen tons

[guitar]

I was born one mornin' when the sun didn't shine

A figtin' and trouble that's a weak and a back that's strong

I was risin' the cane raiped by that ol' man from the company store

Ain't no hightoned woman makes me walk the line

You load sixteen tons

[guitar]

Well if you see me comin' you better step aside a lotta men didn't a lotta men died

One fist is iron the other one's steel

If the right one don't get you then the left one will

You load sixteen tons, what do you get?

Another day older and deeper in debt

Saint Peter don't you call me 'cause I can't go

I owe my soul to the company store

The End
